

Be Research SMART@your Library

13 - 16 August 2013

The Library and Information Service is presenting a Library Research Week and we invite all emerging researchers and postgraduate students to develop your skills and knowledge and get equipped with the necessary SMARTs to guide you on your research path.

The following programme will be offered during the week. Please click on the links to the training and events calendar to book your seat for the session(s) of your choice.
