

## Fine-tuning your research

25 - 29 July 2016

The Library and Information Service will be presenting its fourth Library Research Week this year from 25 - 29 July 2016.

The aim of the event is to develop the skills and knowledge of emerging Stellenbosch University researchers and postgraduate students and to equip them with practical knowledge of the systematic literature review and copyright issues and to make them aware of the importance of their research footprint and of engaging the public in their research. They will also be introduced to unique research collections.

### PROGRAMME

#### UNIQUE EXHIBITS

**Date:** Monday 25 July - Friday 29 July

**Time:** 12:15-12:45

**Venue:** Special Collections, JS Gericke Library

#### Description:

These exhibitions include expeditions and explorations in Antarctica as well as original diaries, documents and manuscripts of well-known authors. Come and discover unique maps of the 1600s, a 246-year-old handmade grandfather clock, Pierneef painting, exceptional books about Southern Africa and more.

DOMUS, Music Library, will exhibit on 29 July a unique exhibition on the Arnold van Wyk collection, to accompany the book talk that will be presented by Prof Stephanus Muller, author of *Nagmusiek*.

#### GUIDED TOURS

Through the course of the week Special Collections will give guided tours and exhibit unique collections that are otherwise unavailable to the public. These unique collections will be on display from Monday until Friday.

#### OPENING FUNCTION

**Date:** Monday 25 July

**Time:** 16:00-17:00

**Venue:** Special Collections, JS Gericke Library
