# About Aristea

Aristea is one of Stellenbosch University's eleven Commuter Student Communities (CSCs), basically your home base on campus if you're living in private accommodation. We've been around since 1973, making us the oldest womxn-only CSC at Stellenbosch (and yes, we wear that crown proudly!).

We're all about good vibes, strong values, and making sure you feel included from day one. SU's 12-day orientation program is packed with everything you need, from finding your way around campus to meeting new friends and celebrating the unique energy each of you brings.

We know starting university can feel like a lot, but you won't be doing it alone. Our leadership team is super approachable and always up for a chat. So reach out, get involved, and join in on the fun. We can't wait to meet you and welcome you into the Aristea family!

# FREQUENTLY ASKED QUESTIONS

## Will I have accommodation?

Aristea is **NOT** a residence and therefore **DOES NOT** offer accommodation. We urge you to find accommodation before coming to Stellenbosch University, even if you are still awaiting residence placement. Being placed in an SU residence is not guaranteed!

If you need help finding accommodation, have a look at this link:

<https://www.su.ac.za/en/apply/undergrad/accommodation/private-accommodation>

## How do shuttles and walking groups work?

### Shuttles

Shuttle services are available throughout the Welcoming period but will not operate beyond this timeframe. These shuttles are completely free of charge during Welcoming, provided bookings are made before the daily cut-off time of 11:00 AM. Operating on a pre-booking basis, the shuttles depart from campus to designated drop-off points at 7:15 PM and 9:15 PM. On special occasions such as Dream Walk and Connect, shuttles will run later, as per the University's schedule. Drop-off points include police stations located 5-10 km outside Stellenbosch, ensuring safety and accessibility for all passengers.

### Walking Groups

If you're concerned about attending evening events due to safety worries, don't worry, we've got you covered! Navigating an unfamiliar town in the dark can feel unsafe, but we're here to help. In collaboration with Vesta, the male CSC in our cluster, we've organized walking groups to ensure everyone gets home safely at night. There are four designated walking routes that will remain consistent throughout the welcoming period. These groups will depart every day that the welcoming program ends at 21:00 providing a secure and reliable way to get home. Have a look at the walking routes on the next page!

## What can I prepare for in advance?

The weather in Stellenbosch is very hot during welcoming! We're talking 38°C! We have tried to work around the heat as much as possible, but there will be times where the sun is unavoidable. Please come prepared with lots of water, sunscreen, hats and anything that will help you keep cool!

## Wait, I still have more questions!

No worries! We will have a pre-arrival program and a question poll where you are able to ask all the questions you may have! Look out for us on Instagram @aristeacsc

# Academics

Aristea is a community that values academic excellence and empowers students to achieve their fullest potential. As an Aristea Commuter Student, you will have access to various academic support services that are designed to help you thrive. You have access to the Wimbledon Hub which is a physical, on-campus academic and social space made for you to study, relax and connect with others during times where going home might not be ideal for you. There are various opportunities for mentor sessions, to form study groups with fellow students. Integrated learning opportunities that promote active and collaborative academic activities will be available and resources to guide your academic skills and career development. We encourage you to make full use of these opportunities as they were established to help make your academic journey, a success at SU. We hope to see you at our academic all nighters during those A2 seasons where we all come together for one common goal - becoming absolute academic weapons together !

04.

# Sports

At Aristea, we believe that sport is more than just an activity, it's a powerful way to stay connected, energized, and grounded during your busy days on the move. For many commuter students, balancing travel, classes, and personal commitments can be challenging, and that's why we're committed to offering sports opportunities that are flexible, welcoming, and enriching.

Sport not only promotes physical wellbeing, but it also builds teamwork, confidence, and a strong sense of belonging. Over the years, our commuter students have excelled in a variety of sports, creating a supportive space where everyone, regardless of schedule or skill level, can thrive.

Our sports offerings include:

**Netball:** Fast, competitive, and community-driven, our netball sessions bring together students who love quick play and strong team spirit.

**Hockey:** A dynamic game of speed and strategy, hockey has remained one of our most popular sports.

**Table Tennis:** Table tennis offers agility, focus, and plenty of fun.

**Boxing club:** A dynamic practice for you to learn how to defend your self or just an opportunity to keep your body active.

This year, we're excited to expand our sports community with two new commuter-friendly options:

**Touch Rugby:** A fast-moving, inclusive game that encourages teamwork and fitness without heavy contact, ideal for a quick afternoon runaround.

Whether you're an experienced athlete or simply searching for a fun way to stay active between lectures, we invite you to get involved. You'll build new skills, boost your wellbeing, and connect with fellow commuters who share your journey. Join us, and make memories that last far beyond the commute.

# Culture

At Aristea, culture is the heartbeat of who we are, it shapes the way we connect, collaborate, and create a sense of home on campus. We proudly embrace diversity, inclusivity, and the individual experiences each commuter brings with them. Our community is built on celebration, respect, and shared growth, where every student is encouraged to express their identity while feeling truly supported and valued.

A vibrant element of our culture is our commitment to creative expression. Whether through drama, dance, music, spoken word, or visual arts, we see creativity as a powerful way to tell stories, explore perspectives, and bring people together. As commuters, we understand the importance of finding meaningful moments on campus, and our cultural activities offer the perfect space to do just that. We're excited to continue expanding these offerings in the coming term!

We provide opportunities for students to participate in workshops, performances, exhibitions, and talent showcases that celebrate the richness of our community. These experiences not only nurture artistic passion but also strengthen collaboration, enhance confidence, and create lasting memories.

Cultural activities that we offer:

**A capella:** For those with a love and talent for singing.

**Molasessêr:** A production for the lovers of all kinds of art- singing, acting, dancing etc.

**Book club :** For the introvert book lovers looking for others to share their thoughts and perspectives.

And more :)

Through these cultural engagements, whether you're honouring your heritage, discovering new artistic interests, or joining conversations that broaden your worldview, our aim is to foster an environment where every commuter feels inspired to take the stage, express themselves boldly, and truly thrive.

# *Social Impact*

At Aristea, we believe that greatness is something we unlock together. When we consistently support one another and extend a hand to those who need it, we create a community that is stronger, kinder, and capable of real change. This year, our goal is to make a meaningful impact, both within Aristea and in the communities around us.

Our guiding motto, "Service Above Self," reminds us that true leadership comes from placing the needs of others before our own comfort or ego. It reflects our commitment to serving the community with humility, compassion, and purpose.

To live out this motto, we will be focusing on bettering the lives of disadvantaged high school learners by serving as their mentors. From sharing advice to assisting with academics, we want to be the sisters who walk alongside them, uplift them, and help them reach their potential. To drive this initiative, I will be establishing Aristea's own Social Impact Committee, a team of passionate Arries dedicated to shaping this project into something truly transformative for the learners we support.

As students who have already made it into this institution, it is important that we show others that what once seemed impossible is achievable. We have a responsibility, as the youth, to support our younger brothers and sisters, to remind them that they belong, that they can take up space, and that their dreams are valid. The world is truly their oyster.

This is our way of giving back: bringing hope, confidence, and a spark of possibility to those who may be ready to give up. Together, we can help them believe in a future where they rise, succeed, and create change of their own!

On the 6th of February 2026, we will have our annual Social Impact morning and this year we will be collaborating with Helderberg! We cannot wait to share this day with you guys. We hope this morning will pique your interest for helping those around you.

# Letter from your Primaria

## Dear Aristea Member (Arrie)

I would like to start by saying thank you for choosing Stellenbosch University and secondly, welcome to Aristea! Some of you may have had multiple university options, while for others, this might have been your dream choice. Either way, you got in, and you've chosen to have your university experience as a Matie! Not only are you a Matie, but you're also an Arrie, whether you've realized it yet or not.

Let me tell you, as someone who once was apprehensive about the idea of an all-female anything, whether that was a school or any space for that matter because of my past experience in high-school and didn't own a single purple item, to now being a proud Womxn of Mind and Heart with purple blood in my veins and more purple clothes and accessories than I can count, there is so much to look forward to.

As Welcoming slowly approaches and thoughts about university life fill your mind, whether this is your first time living without your parents and entering your "Adulting Era", or you'll be commuting from home, everyone has pretty much the same questions. And the answers are simple: Yes, you will fit in. Yes, you will find community and yes, you won't be left alone. There will be people readily available to help you. These really are some of the best years of your life (except during exam season, but we'll get through that together). All you have to do is open yourself to the experience and not shut yourself out.

Everyone and I on the House Committee, Mentors, and Aristea Committee are waiting with eager anticipation to meet you and show you why being a Matie and an Arrie is the best combo ever. It won't always be sunshine and roses on a wine farm, but the connections you make along the way will make it so much better. Speaking from experience, many of my closest friends right now, both studying the same thing as me and studying something completely different, I met during my Welcoming, and I wouldn't trade them for anything in the world.

What I'm trying to say is that Aristea will be your home away from home if you give us a chance. So, get excited! Start imagining purple becoming your favourite colour if it isn't already, because you'll see it EVERYWHERE! If you ever feel overwhelmed, confused, or just need a good laugh, we have a group of people always ready to support you. I'll be on the WhatsApp groups you'll join (link is further down this booklet) for easier access, and you can also email me at: aristearprim@sun.ac.za

2026 is going to be such an amazing year for you, and we would love to be part of your journey! Here's to years of laughter, late-night study sessions at the Hub, unexpected friendships, and all the incredible experiences we'll share together. Get ready, because Aristea and Stellenbosch are about to blow your mind. I cannot wait to see your purple passion!

# House Committee

Every community in Stellenbosch has a House Committee, students often refer to it as the "HC". The House Committee is elected by the members of Aristea in July or August every year. Everyone in the committee is responsible for a specific set of portfolios and you will spend a lot of time with them during Welcoming and throughout the year.

*You have already met your Primaria, Carbel. The rest of our committee consists of our Vice- Primaria, Head Mentor, Strategic Financial Manager, and General HC members. If there is ever an emergency, you can approach any of our 10 members and we will be happy to assist.*

**Let's meet the team!**

To the newcomers of 2026

Dear newcomer of 2026, first of congratulations on getting accepted into Stellenbosch University, that is such an amazing accomplishment. A little heads up from my side is that you will find university is very different to high school, it is harder I'll admit. However, it does become a bit easier once you've developed your own pillars of strength through friendship and lucky for you that is what Aristea is here for. We are here to make the transition into this new phase of your life slightly easier by giving you platforms to help you find people resonate with or even find a version of yourself that you'd like to get to know better. Here at Aristea we have a saying that we are "Women of Mind and Heart", take this as a reminder that the women of Aristea are your sisters who are here to help you find the best path for you that allows you to have an open-mind and a heart full of compassion.

All the best in this new phase of your life <3

Lots of love,

### **Emmah Sutton**

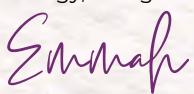

Welcome to Aristea, the best community by far, but I might be a little biased, join us for Welcoming and throughout the year, and I am sure you will be convinced.

Before anything else, I want to acknowledge what an incredible achievement it is to be accepted into this university. Stellenbosch is known for its high standards, and being accepted reflects the effort, hard work and perseverance that has brought you to this moment, and we are excited to support you as you begin this new season in your life.

Aristea is a community where meaningful connections are built, where you meet people from different backgrounds and walks of life. This is where your dreams begin to take shape, and where you have the chance to grow into the person you imagine yourself becoming.

Think of Aristea as your home away from home, a space where you can be yourself, feel safe, and belong. It is everything you hope your university experience will be, and often so much more. This is a community filled with moments you will carry with you long after your time at Stellenbosch, from bucket-list experiences to friendships that feel like family.

I cannot wait to welcome you in person. We are truly excited for everything we have planned for you. Travel safely, bring your energy, and get ready for an unforgettable start to your journey.

### **Kimberly Nyagondore**

Hey fellow Arries!

I hope you're as excited as I am to be joining Aristea and more so the amazing Maties family. Aristea's going to kickstart your Stellenbosch journey with a bang, tons of GEES, and all the support you'll need along the way.

I'm Kimberly, and I'll be serving as your Financial Manager this year, basically the one making sure Aristea doesn't go into debt while we bring all our wild, fun, wholesome ideas to life.

I'm also part of Wellness, Spirit, and Derby, so expect lots of good energy, support, and hype from my side throughout the year. And of course... I'm your Connect HC! Connect is our super fast-paced competition where we create a whole play and a dance in just 15 minutes and battle it out against other residences. It's chaotic, creative, hilarious, and honestly one of the most fun parts of welcoming and I can't wait to experience it with you.

As a wellness junkie and someone who genuinely loves seeing people thrive, I'm here to help make sure you feel grounded, supported, and truly at home in Aristea. Whether it's during events, competitions, or just chatting, you can always count on me.

I cannot wait to meet you all and make this year unforgettable. Here's to new friendships, new experiences, and lots of Aries GEES!

## Dear Prospective Arrie,

Congratulations on your provisional acceptance to Stellenbosch University, and a warm welcome to Aristea! Studying at SU is both a great honour and an exciting opportunity. As you prepare to begin this new chapter, we wish you every success as you take the first steps in your university journey. Please note that your allocation to the Aristea community is conditional and subject to you receiving an academic offer and successfully registering at Stellenbosch University.

The Commuter Student Communities Unit at Stellenbosch University is responsible for managing the Aristea Community, together with its House Committee and mentors. We form part of your support network and are here to assist with your academic and social integration at SU. Please feel free to reach out if you have any questions or need guidance along the way.

Aristea is a values-driven community, and these values guide everything we do. Being part of Aristea will allow you to forge new paths, build meaningful relationships, and discover innovative ways to grow both personally and academically.

The Commuter Student Communities (CSCs) model ensures that students living in private accommodation remain connected to one another and to campus life. Through a combination of in-person and virtual engagement, Aristea offers a range of opportunities to participate in community activities, mentorship, and events even when you are off campus.

We encourage you to make the most of every opportunity that comes your way. At Stellenbosch University, your academic programme is only one part of your developmental experience. Aristea will help you become a well-rounded graduate, ready to thrive in an ever-changing world.

We look forward to welcoming you into the Aristea community with open arms.

Warm regards,

# Our Cluster

## WHAT IS A CLUSTER?

A cluster is a larger student community made up of various residences and CSCs that are geographically close to one another. The concept of cluster was introduced in 2007 as a way to connect and involve commuter student community (CSC) students with the activities and facilities available to students living in university and to create network opportunities for all.

Clusters promotes community building, offer a wider support structure and allow for collaboration and innovation to take place. They provide platforms that enable holistic development, networking opportunities, foster belonging, promote active citizenship and integrate and bridge gaps between different members of society through engagement.

### Welcome to Wimbledon Cluster!

The Wimbledon Cluster consists of six communities that are all situated in the area surrounding the Wimbledon Hub. These include:

Aristea | Vesta | Eendrag | Helshoogte | Sonop | Irene

During Welcoming, you will have the opportunity to meet fellow students in the cluster and make friends outside of your community (residence or CSC). Cluster Interaction and Cluster Day during Welcoming is your first opportunity to engage with communities in Wimbledon. It is really something to look forward to!

In addition to being part of such a vibrant and spirited cluster, you have the added option of booking meals at the residences with open dining halls that form part of the Wimbledon Cluster, especially at the monthly "First Wednesday" lunch. The Wimbledon Hub also sells food and has a quiet space for studying.

During welcoming you will meet the Wimbledon Cluster Conveners, Carina Steytler and Corne Prinsloo, who are responsible for creating a platform for engagement and connection.

The cluster experience provides you with the opportunity to network and form academic and social contacts. The cluster has events during the year, where you can look forward to opportunities for personal growth and meeting new people. Cluster events are very special and exciting for new maties.

Congratulations on embarking on this incredible journey at our university! We want to extend a warm welcome, not only to Stellenbosch and your respective student communities, but to your greater Wimbledon Cluster!

We're overjoyed to welcome you to the place we proudly call our second home, a space where we're working tirelessly to make sure you feel like you've found your second home too.

University is a place of growth, discovery, and transformation. It's a time to embrace change, and challenge yourself. As you navigate through the streets of Stellenbosch, remember that it's okay to feel a mix of excitement and nervousness. You are not alone—everyone around you is on a similar journey.

Embrace the change that comes with university life. This is a unique opportunity to expand your horizons, both academically and personally. Step out of your comfort zone, join committees, attend events, and meet new people. The diversity of experiences and perspectives on campus is vast, and it's in these interactions that you'll discover new passions and forge lasting connections.

Now, you may be trying to digest all of this new information being thrown your direction. Let's break down what our Cluster is... Wimbledon offers you a host of events, clubs, sports, personal and professional development opportunities and social events to ensure you are exposed to students from different communities. Cluster also offers you the Wimbledon Hub, conveniently located at the epicenter of our communities - it is a place to study, meet up with friends, grab food, and relax.

Cluster will be introduced to you during welcoming, and we are so excited to call you a WimbleWinner!

We can't wait to witness the incredible impact you'll make.

Best wishes for a fantastic journey ahead.  
We cannot wait to meet you!

# What is Pre-Arrival and Welcoming?

We offer diverse activities that will hopefully spark your curiosity to all that Stellenbosch has to offer. During Pre-Arrival, we offer various information and activities, while you're still home, to prepare you for your two week journey during Welcoming to prepare you for life beyond the Welcoming period.

Welcoming takes place when you arrive in Stellenbosch and offers you activities that include sport, culture, academic assistance, as well as personal and leadership development. See Welcoming as the trailer to the rest of your time as an Arrie and a Matie.

Here at Aristea, we pride ourselves on individuality. As we walk this path with you, we want you to make memories, meet new people, and most importantly, have the time of your life all the while discovering who you are and where you fit into the greater university structure.

We are extremely excited to meet all of you. This is the start of the best time of your life, and we are honoured that we get to be a part of it. So, bring along your authentic self and an enthusiastic energy, we are ready for twelve days of non-stop fun, we hope you are too!

# Vensters 2026

Our Connect partner for 2026 is  
**Helderberg Residence.**

Our name for vensters will be “The Republiek of HELDERSTEA”

Together we are one and will be called HelderStea. We truly think by combining our names we embrace our communities and that we can embark on this connect journey as one.

“Vensters” will be our chance to show off what our combined communities has to offer when it comes to our cultural capabilities. It is a great way to get to know new people and start your new adventure at Stellenbosch University.

Our spectators can be excited to see what we will bring to the stage from singing to dancing and just having fun. We embrace the cultures at Stellenbosch University and indulge into a whole other perspective of how it is to be at university and discover more about yourself.

Our theme this year is “Carnival of Dreams” and we can not wait to make some beautiful memories with you!

# The Welcoming Schedule:

Most of the activities in this program are high-energy and involve physical movement, large crowds, and elevated noise levels.

Participants can expect to engage in activities that include cheering, loud music, singing, and other forms of high-intensity sound. These activities often take place in large group settings, typically ranging from 50 to 500 people.

Mentor sessions are an exception. These sessions are conducted in smaller groups of fewer than 30 people and are designed to allow for lower-intensity interactions, more personal engagement, and a calmer, more structured environment.

While venues for the program are still being confirmed, we are committed to ensuring that all spaces used will be made accessible and inclusive for students and staff with disabilities or special needs.

**Please can you  
wear purple**

# Sunday 8th January

Congratulations! You have made it to the end of Welcoming. We hope you have had a great time, created wonderful memories and formed meaningful connections. Time flies when you are having fun, but the fun doesn't stop here. We can't wait to see you throughout the year.

After a busy 2 weeks, you have definitely earned some well-deserved rest. Use this day to relax and recharge as you prepare for your first day of university classes. Remember, don't hesitate to reach out, we're always here to support you.

December 2025

Dear Prospective Student

#### CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS 2026

Welcome to your Commuter Student community at Stellenbosch University! You have been assigned to a CSC (Commuter student Community) as you have not chosen to stay in an SU residence in 2026. During the annual welcoming period in the beginning of the year, communities take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because CSCs do not have a dining hall (although some CSCs will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, CSC first years are provided with “welcoming packages”. These packages usually consist of several meals, clothing, and other items unique to each community. During CSC registration on the first day of Welcoming (Monday 26th January 2026), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from community to community). Each CSC will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.

Acquiring the “welcoming packages” is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact us at [cscu@sun.ac.za](mailto:cscu@sun.ac.za)

Beste Voornemende Matie Student,

## **HEFFING VAN VERWELKOMINGSPAKKIE-KOSTES OP STUDENTEREKENING 2025**

Welkom by jou Pendel Student Gemeenskap by Stellenbosch Universiteit! Aangesien jy nie in 'n US koshuis woonagtig is nie, is jy del van 'n PSG (Pendel Studente Gemeenskap). Tydens die jaarlikse Verwelkomingsperiode neem gemeenskappe verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSG's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlings getref word deur sommige PSG's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingspakkies" saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie en soortgelyke items wat eie is aan die betrokke PSG. Tydens registrasie by die PSG op die eerste dag van Verwelkoming (Dinsdag 28ste Januarie 2025) het u die opsie om hierdie verwelkomingspakkies aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSG tot PSG). Elke PSG bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u betrokke beskikbaar gestel kan word. Na registrasie sal die koste dan teen die studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes.

**Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkoze pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.**

Die verkryging van die "verwelkomingspakkies" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by [cscu@sun.ac.za](mailto:cscu@sun.ac.za)
