WELCOME TO CAPRI!

Welcome to Capri, and congratulations on making it this far into SU. Capri is a CSC (Commuter Student Community). The purpose of a CSC is to give you a similar experience to students who are accepted into residence, or to be your home until you are accepted, if you're still on the waiting list. In baby terms: not in res = placed in a CSC – but that does not mean you won't be accepted into res if that's your aim. Every SU student is placed in either one or the other!

Welcoming consists of the official university Welcoming activities, such as the Dreamwalk and the Rector's Welcoming (the one you see in the stadium with everyone wearing maroon T-shirts on social media). The rest of it- well, that's organised by the community you're placed in (a CSC or a residence).

You'll learn more about Welcoming, Capri, and the leadership in charge of both your Welcoming and Capri community later in this booklet, but for now, dive right in and immerse yourself in the Capri experience! We can't wait to meet you!

Our mascot:

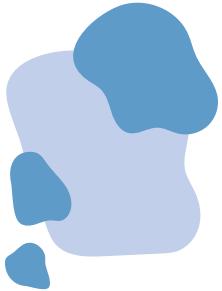

from:
your welcoming leaders,
Tems & Lutz (:

OUR VALUES

Welp- now you're a member of this community, but you don't know exactly what you're getting into?

Capri is a Value-driven community that strives to ensure that all its members are included and are able to co-exist in what ways existing looks like to them, ensuring that everyone is treated with respect and kindness while doing so.

Our values:

Ubuntu

“I am because we are”

As a community filled with people from various backgrounds, personalities, orientations, religions and ethnicities, each with a unique perspective valuable differences to the table, we promote understanding, respect, compassion and togetherness.

Community to us means a space where everyone can exist freely and contributes to the growth of those around them.

Trots

“Pride”

In Capri, we encourage our members to not only take pride in themselves, but also in being a member of Capri, and a global citizen.

Our hope is that in our pride, we as members of Capri will always strive for better, both in SU and beyond!!

Innovation

We take pride in our ability to adjust our thinking and align it with the values of SU, balancing the need to adjust to change with the importance of maintaining traditions that benefit the community, while transforming those that cause harm. We strive to change not for the sake of change, but to be and create the change.

MEET YOUR LEADERS FOR 2025/26

(A brief description of each leadership structure before you see their names & pictures)

HOUSE COMMITTEE (HC)

The Capri House Committee for 2025 is the "dream team," the leadership team responsible for supporting all Capri members during their time at the university. We're here to ensure that every student feels at home and has the best university experience possible.

What we do includes planning and hosting events, opportunities and social hangouts, while also being available to offer advice and guidance whenever needed. Our aim is to ensure that our members have a well-balanced university life in all aspects- physically, socially, culturally and academically. Where this happens is within the Capri community on campus, where we work to make each student's university journey smooth, enjoyable, and unforgettable.

We can't wait to make this an incredible year for you!

MENTORS

One of the highlights of your first year at SU is that you'll be matched with a mentor who's there for you every step of the way. Your mentor is basically your built-in bestie, the person you can go to for anything and everything – whether you're navigating your classes, figuring out the social scene, or just need a familiar face on campus. We promise, you're not alone!

They'll be by your side during orientation week and beyond, keeping you in the loop about all things Capri, academic support, fun events, and everything in between. They're here to make your transition smoother, more enjoyable, and way less overwhelming. University life can be a bit of a rollercoaster at first, but it's also the beginning of one of the most exciting and rewarding chapters of your life. We've got your back with activities, support, and everything you need to not just survive, but thrive.

So, make sure you take full advantage of all the opportunities coming your way! Get ready for some unforgettable memories, and know that we can't wait to meet you next year

SENIORS COMMITTEE (SC)

Hey there, future Capriple! Get ready to be swept up by the awesomeness of the Seniors Comm! We're not your typical committee—we're the masterminds behind some of the wildest and most unforgettable experiences you'll have once you level up to Capri senior (that's 2nd year and beyond). We bring the gees (the vibes)!

As you dive into the welcoming whirlwind, keep an eye out for us—we'll be the ones bringing the vibes— you'll spot us, I promise— and ready to answer all your burning questions about campus life. Think of us as your walking, talking campus encyclopaedias, here to guide you through it all. Lucky for you, the fun doesn't stop after orientation; we've got a whole year of exciting events lined up for our seasoned seniors. And here's the best part—at the end of your first year, you'll get to jump right into the madness too!

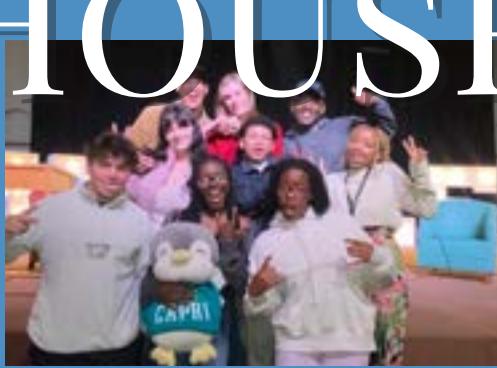

Join our gees-powered team and get ready to make your own mark in the Capri community. Let the fun begin!

2025/26

Message from Jono:

Dear Future Capriple,

I am Jonathan, your—well, you'll find out what that is a bit later—and I would love to welcome you to the wild, wonderful world of Capri! You've officially joined a community where we believe every pebble adds to the ripple, and trust me, Pebbles (our mascot) takes that very seriously.

Capri isn't just a CSC; it's a family. Here you'll find laughter, late-night chats, and probably someone who will remind you to eat during exam season. You'll meet leaders who care, friends who become family, and a mascot who somehow manages to be cuter than all of us combined.

My advice? Dive in headfirst. Come to events, join the WhatsApp chaos, and don't be shy to share your quirks—we love quirks here. Capri is about connection, growth, and making memories that will stick with you long after you've left campus.

So buckle up, Capriple—you're about to be part of something special. And remember: in Capri, no pebble is too small to make a splash.

Warm (and slightly mischievous) regards,
Jonathan Modisakeng
Prim of Capri CSC.

A pre-arrival disclaimer:

Dear future Capriple,

We're really looking forward to meeting you! Something very important to note before you arrive in Stellenbosch is that Capri is a commuter student community (CSC) and not a residence; therefore, we do not provide any accommodation.

As much as we are here to help and support you, it is unfortunately not the leadership's responsibility to help you find accommodation.

The best thing you can do is start looking for accommodation now and ensure that you do not pay any money unless you are 100% sure that the person advertising is credible. Please be very careful of scammers.

PSA: YOU CAN JOIN IN ON THESE

Committees

Newcomers Committee

The newcomers committee is like the welcoming party that never runs out of smiles! It's a team for and by the newcomers.

It's all about helping newcomers feel at home, and turning strangers into friends. From planning the newcomers dance to learning insider secrets, the committee makes settling in feel exciting instead of overwhelming. In the end, it's about building a warm, inclusive community where everyone feels like they belong from day one.

Look out for applications in your 1st term and be sure to sign up to join this team of newcomers dedicated to bringing the fun!

Seniors Committee

The seniors committee is all about creating awesome activities, sharing stories, and building a community where everyone feels included and celebrated.

All seniors (2nd year & up) are able to apply to join the committee, when applications are opened (usually in 2nd semester). This committee is in charge of organizing events for senior students to allow for senior members to keep in touch, have fun & grow together.

Section groups!

At Capri, we're all about friendly competition. Every member is randomly assigned to a section, kicking off a year of friendly competition and plenty of fun. Sections earn points through activities, involvement, and showing up with spirit – the more you participate, the more points your section scores.

Throughout the year, you'll take part in section events, challenges and moments that bring everyone together. Each section has its own WhatsApp group to keep members connected and in the loop, and at the end of the year, the section with the most points walks away with an exciting prize and major bragging rights!

We can't wait for you to join in on the madness and fun!

CONNECT

AKA VENSTERS

See the "Welcoming 101" for everything you'll need at Connect

Sonop Female Residence

Connect is Stellenbosch University's ultimate newcomer showcase—a vibrant explosion of music, colour, and creativity that turns campus into one big street-theatre carnival! Every year, first-years from different residences and CSCs team up to produce lively mini-performances packed with dancing, acting, and over-the-top costumes. It's all about teamwork, spirit, and showing off just how imaginative Maties can be. Beyond the fun, Connect also supports community projects, making the festival not only a massive celebration but a meaningful one too. It's the perfect way for newcomers to dive into Matie culture, make friends, and kick off their university journey with a bang!

Newcomers' Dance

If you thought Welcoming was the end of the fun, think again – because we value you long after the program is over! The Newcomers Dance is our big celebration of every new member who's joined the Capri family. It's the perfect chance to reconnect, vibe together, and make new memories with the people you met during Welcoming (and if you missed it, a chance to catch up on the fun!).

Each year, we pick a wild theme that'll have you stepping into a whole new world, with epic vibes and endless photo ops. It's the ultimate chance to get creative, have fun, and feel right at home with the Capri crew! Expect a night full of energy, music, and effortless mingling, all designed to help you settle in, meet new faces, and feel even more at home in Capri.

Huis Fonds Dance

Huisfondsdans! Probably the second most looked-forward-to event. The Huisfondsdans is quite self-explanatory: it's the dance that acts as a semi-fundraiser for the big House Gala. Every year, we host a mini themed dance that helps fund part of the gala, and it's so much fun! It's a time to relax, let loose, and have fun, usually just before exams commence. The prices for this dance are a tad bit heftier than the prices for other smaller dances that we'll also host, but not as high as House Gala prices. You also tend to get a little incentive, such as a complimentary drink or snack as a thank-you. We hope to see you there!

House Gala

This is the highlight of our year, and trust us—you won't want to miss it! The House Gala is an enchanting soirée that marks the end of Capri Week, usually toward the last sector of the year. Donning our best attire, we come together for a formal dance filled with reminiscing, dining, and good vibes with the rest of our community. We celebrate one another and use this as an opportunity to bid farewell to our outgoing leadership and welcome our incoming leadership. Simply buy a ticket to attend our dazzling occasion. Come clink glasses with us before we have to lock in again, and focus solely on dancing the night away!

CAPRI WEEK

Get ready to paint Stellenbosch turquoise—it's time for Capri Week! This is the week you've been waiting for, packed with Capri-themed events, activities, and socials. Break out those dancing shoes, warm up your vocal cords, and make sure your friends know you'll be busy—because Capri Week is an absolute MUST!

From Capri Grand Prix to the House Gala, movie nights, the epic Amazing Race, House Committee elections, and so much more, we've got something for everyone. By the end of the week, Stellenbosch will know that Capri is taking over, and you'll have a blast doing it! Get ready for a week of non-stop fun and unforgettable memories!

SOCIAL IMPACT

Capri is committed to making positive change in the world around us. We seek to create opportunities for students to contribute to their community – whether that be within the university space or the broader Stellenbosch community. From a beach clean-up during Welcoming, to a year-long recycling initiative that will go toward donating wheelchairs to those in need, to termly sandwich drives and events that seek to connect students to those in need, Capri hopes to make giving back as accessible as possible. Events will be communicated on our social media and WhatsApp groups and will be in person – a chance to take a break from the books and connect with friends in light of a bigger cause – with boxes to donate non-perishables and toiletries to our pantry, as well as to drop off e-waste.

CAPRI CARES

Capri Cares is a small team of students who are committed to being the change they wish to see on campus. They assist the Transformation/Social Impact, Sustainability, and Critical Engagement House Committee portfolios with initiatives and events, leading by example and fostering care for yourself, for others, and for nature. Applications for newcomers will open shortly after the Welcoming period and will be shared on our social media platforms and WhatsApp groups. The team is completely manageable alongside studies and social/personal commitments and aims to provide students with the opportunity to live out Capri's values in an accessible way.

CRITICAL ENGAGEMENT

Critical Engagement is a practice that residences and communities engage with in hopes of giving students the platform to engage with and discuss important and relevant issues on campus, such as Gender-Based Violence, sustainability, discrimination, and health and safety. There will be four such sessions during the Welcoming period (called Let's Talk), and termly events after that. The termly offerings will take place in the evenings after classes and will be an opportunity to educate yourself, chat, and eat with your community (yes, yummy refreshments are always served!). Dates, times, and venues will be shared on social media and WhatsApp groups, and we would absolutely love to have you there!

CULTURE

Capri culture is all about belonging and support. Whether you're tackling exams or celebrating a win, we've got your back. Gees (spirit) fuels everything we do – From late-night chats to unforgettable events, Capri is about collaboration and lifting each other up. We're not just a community – we're a family. So get ready to dive in, make new friends, and experience the magic of being part of a community that truly supports you.

Events & competitions:

Molassesér: It's a massive competition where newcomers from different houses battle it out with their singing, dancing, and acting talents. You don't have to be a pro – just bring the energy and enthusiasm!

SU Acapella: If you've got a love for music and can make some serious noise with just your voice, this is where you belong! Communities across campus go head-to-head to claim the title. Sign up & get ready to show the world what Capri-pella is made of. Forget Pitch Perfect, we're the ones to beat!

Toneelfees: Are you a drama king or queen? Toneelfees is where all things theatre come alive – whether it's writing, acting, or just watching great performances. Bring that story you've been dreaming about and turn it into something unforgettable!

COOL THINGS YOU CAN TAKE PART IN |

CAPRI MERCH MODELS

Fun fact: Capri has its own merch, and to help advertise it, we have the Capri Merch Models – a group of enthusiastic members who proudly wear and showcase the gear. Their job is simple: model the merch, bring the brand to life, and make sure everyone sees just how good Capri looks.

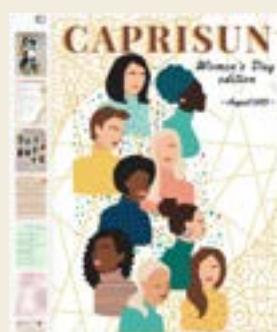

Are you interested in becoming one of the faces of Capri? You don't have to look a certain way or have a certain level of confidence or experience. We're looking for members of all shapes, sizes & backgrounds to join our Capri Merch Models team! If you love our merch and aren't afraid to strike a pose, this is your chance to help show it off and help us hype it across campus. Throw on the gear, bring the energy, and help everyone see why Capri style is unmatched!

CAPRI SUN

Hey Capriple! The CapriSun is our very own CSC magazine. We cover all sorts of cool topics—the latest news, the latest fashion, movies, and novels hitting our shelves and screens. We share all kinds of tips, from finding the best places to thrift, to the best campus study spaces, to even ranking the best toilet spots on campus! Our first release of 2026 is due in March, so as soon as y'all arrive, sign up! Sign up! Sign up!

To be part of the CapriSun, you don't need any prior writing experience. We're all about giving people the space to grow and learn no matter where they're from. Anyone can join the CapriSun at any point in time because there will be monthly releases. You can join by scanning the QR code or signing up throughout the Welcoming period, but if you miss that, keep an eye on the announcement tab on WhatsApp or Capri's Instagram stories @capri_csc. And if you miss that, you can directly contact the editor-in-chief, Daphné, via Outlook: 28120795@sun.ac.za or capri@sun.ac.za

WHAT IS A CLUSTER?

A cluster is a grouping of residences and commuter student communities (CSCs), who together form a broader community where students can interact and collaborate with one another, making the university 'smaller'. It is the organizing principle for academic and social affairs.

WHO ARE WE?

amaMaties Cluster is made up of five residences: Erica, Serruria, Nemesia, Helderberg, and Huis Neethling, and two CSCs: Capri and Equité. We are one of the most active clusters on campus and enjoy hosting joint events and making use of our shared spaces.

OUR VALUES

Our cluster values are Ubuntu, Respect, Empowerment, Sense of Belonging and Individuality

amaMATIES Facilities

The amaMaties Cluster HUB facility is the physical base of our cluster and

provides a gathering space and commons for the students of our cluster, ensuring a world class living and learning environment. This multifunctional space provides students with an area to meet, study, relax, and engage with each other between classes and other commitments.

The ***HUB facilities*** include:

- Study and relaxation area
- Tinie Louw dining hall
- Plug points for laptops and cell phones
- Early morning or late dining at the DELI
- Emergency backpacker rooms
- Maties Wi-Fi access (24/7)
- Lockers

Dear new Matie You are now officially part of amaMaties Cluster. This is where your community becomes a part of something bigger. We are a vibrant, diverse and integrated student community – a space for not only pursuing knowledge but also forging lifelong friendships and experiences, a space that helps you come to the realization that self-awareness is the key to social change. We encourage you to embrace this diversity and seize the chance to learn from one another. Your learning journey is no longer confined to the lecture hall, so take advantage of all that the cluster has to offer. Your time at Stellenbosch University is a precious chapter in your life: Embrace it with an open heart and an eager mind – so that you, in turn, may become an integrated person who can take on the world with confidence, collaboration and compassion. Cherish the moments of discovery, the late-night study sessions (at the amaMaties Hub), the laughter with friends and the growth that comes with every challenge. Here's to meet you all and to the fantastic journey ahead.

Dear Capri Newcomer

Congratulations on your provisional acceptance to Stellenbosch University, and a warm welcome to Capri!

Studying at SU is both a great honour and an exciting opportunity. As you prepare to begin this new chapter, we wish you every success as you take the first steps in your university journey. Please note that your allocation to the Capri community is conditional and subject to you receiving an academic offer and successfully registering at Stellenbosch University.

The Commuter Student Communities Unit at Stellenbosch University is responsible for managing the Capri Community, together with its House Committee and mentors. We form part of your support network and are here to assist with your academic and social integration at SU.

Please feel free to reach out if you have any questions or need guidance along the way.

Capri is a values-driven community, and these values guide everything we do. Being part of Capri will allow you to forge new paths, build meaningful relationships, and discover innovative ways to grow both personally and academically.

The Commuter Student Communities (CSCs) model ensures that students living in private accommodation remain connected to one another and to campus life. Through a combination of in-person and virtual engagement, Capri offers a range of opportunities to participate in community activities, mentorship, and events even when you are off campus.

We encourage you to make the most of every opportunity that comes your way. At Stellenbosch University, your academic programme is only one part of your developmental experience. Capri will help you become a well-rounded graduate, ready to thrive in an ever-changing world.

We look forward to welcoming you into the Capri community with open arms.

Warm regards,
Commuter Student Communities Unit

ECO-FRIENDLY LIVING

How to reduce your carbon footprint and join the Net Zero Carbon journey

Along with the university as a whole, Capri is working towards being more sustainable and environmentally friendly. We hope to lead by example and foster a sense of care, collaboration, and responsibility within our community. The following are some university guidelines that we encourage everyone to adopt!

Water

- Water restrictions still apply to Stellenbosch – aim to use only 8L per person per day.
 - Try to keep showers between 3–5 minutes – a standard shower uses about 15–20 litres of water per minute!
- Use eco-friendly toiletry products – these are becoming more and more affordable and accessible!

Energy

- Use LED lamps only.
- Air-dry laundry where possible.
- Turn off lights and unplug devices when they are not in use.
- Use A++ energy-efficient appliances (low wattage).

Waste

- Stellenbosch University has a zero-waste-to-landfill goal!
- Buy fewer items that need to be thrown away and make swaps for reusable bags, cups, bottles, and containers that can be brought to campus.
- Sort recyclables properly and compost food scraps.
 - No wet waste must be mixed with recyclables.

Transport

- Everything on campus is within easy walking distance!
 - Walk or cycle instead of driving.
 - Hire a Matie bike (fiets_bike@sun.ac.za).
 - Contact 082 808 2333 for security to walk home with you from campus.
 - Provide them with your name and student number.
- Share rides (carpool) or make use of university shuttles.
 - Shuttles can be booked on MySun (and are free of charge!).
 - Log in, click on “Services,” then on “Reservations: Shuttle Services.”
 - See the sustainability webpage for more information.

Get involved!

- Join Capri Cares and Capri sustainability initiatives (see our Instagram leading up to Welcoming!).
- Follow [@su.environmental.sust.](https://www.instagram.com/su.environmental.sust/)
- Follow and join EcoMates (you will be able to learn more at the start of the year).

OUR WELCOMING STATEMENT

You've probably heard about SU's official Welcoming, the Dreamwalk, the Rector's speech.. you know? The ones where people are wearing maroon shirts on Instagram. But what about everything else? The fun stuff, the socials where you can make the uni friend group you've been dreaming about? Or the people that give you a mentor? That's where we come in!

Here in Capri, Welcoming is about fostering a transformative and inclusive environment where authenticity, belonging, and empowerment thrive. It is rooted in compassionate leadership, accountability, and collaboration, celebrating diversity and human dignity. We belong, grow, and lead with purpose.

Our Welcoming Program is all about supporting newcomers as they settle into campus life. Our goal as leaders is to create an inclusive, friendly space where students feel they belong and can start making meaningful connections from day one. We know the transition can be tough—especially for commuter students—so we offer tailored events, socials, resources, guidance, and opportunities to make it easier.

Rooted in diversity, integration, and mutual support, our program creates spaces where students from all backgrounds can thrive. Through mentor sessions, workshops, social events, and networking opportunities, we encourage connection, collaboration, and cultural exchange, helping everyone learn from different experiences and perspectives.

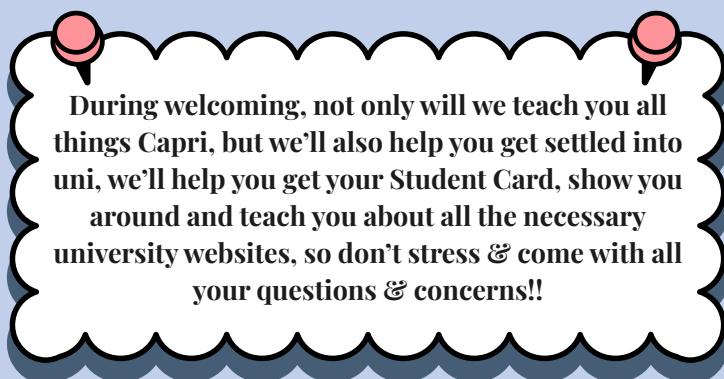

We want every new member to feel confident and supported throughout their journey, via our committed leadership team, who are here to walk alongside them, offering guidance and help in build lasting relationships beyond the lecture hall.

Our Welcoming Program is about more than just transitioning—it's about creating a vibrant, connected community where every student feels empowered, engaged, and ready to succeed.

December 2025

Dear Prospective Student

CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS 2026

Welcome to your Commuter Student community at Stellenbosch University! You have been assigned to a CSC (Commuter student Community) as you have not chosen to stay in an SU residence in 2026. During the annual welcoming period in the beginning of the year, communities take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because CSCs do not have a dining hall (although some CSCs will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, CSC first years are provided with “welcoming packages”. These packages usually consist of several meals, clothing, and other items unique to each community. During CSC registration on the first day of Welcoming (Monday 26th January 2026), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from community to community). Each CSC will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.

Acquiring the “welcoming packages” is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact us at cscu@sun.ac.za

Desember 2025

Beste Voornemende Matie Student,

HEFFING VAN VERWELKOMINGSPAKKIE-KOSTES OP STUDENTEREKENING 2026

Welkom by jou Pendel Student Gemeenskap by Stellenbosch Universiteit! Aangesien jy nie in 'n US koshuis woonagtig is nie, is jy del van 'n PSG (Pendel Studente Gemeenskap). Tydens die jaarlikse Verwelkomingsperiode neem gemeenskappe verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSG's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlings getref word deur sommige PSG's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingspakkies" saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie en soortgelyke items wat eie is aan die betrokke PSG. Tydens registrasie by die PSG op die eerste dag van Verwelkoming (Maandag 26^{ste} Januarie 2026) het u die opsie om hierdie verwelkomingspakkies aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSG tot PSG). Elke PSG bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. **Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.**

Die verkryging van die "verwelkomingspakkies" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by cscu@sun.ac.za
