WELCOMING PROGRAM

WHAT IS A CSC?

A Commuter Student Community (CSC), is an instrumental student establishment that is designed to orchestrate a well-rounded programme which supports students who do not live in university-owned residences, while simultaneously providing opportunities for the overall development of a student (as one would in a residence).

CSC's cater to approximately 76% of the Stellenbosch student population; students are divided into the eleven existing communities which then implement various initiatives that propose successful social and academic integration .

This flexible and diverse structural organization also offers access to both sporting facilities and cultural activities, including access to knowledgeable mentors that offer guidance and support during the first year. The experience offered by CSCs ultimately molds students into attractive, skilled and resourceful graduates that are better positioned for the job market

Dear Equité Newcomer

Congratulations on your provisional acceptance to Stellenbosch University, and a warm welcome to Equité! Studying at SU is both a great honour and an exciting opportunity. As you prepare to begin this new chapter, we wish you every success as you take the first steps in your university journey. Please note that your allocation to the Equité community is conditional and subject to you receiving an academic offer and successfully registering at Stellenbosch University.

The Commuter Student Communities Unit at Stellenbosch University is responsible for managing the Equité Community, together with its House Committee and mentors. We form part of your support network and are here to assist with your academic and social integration at SU. Please feel free to reach out if you have any questions or need guidance along the way.

Equité is a values-driven community, and these values guide everything we do. Being part of Equité will allow you to forge new paths, build meaningful relationships, and discover innovative ways to grow both personally and academically.

The Commuter Student Communities (CSCs) model ensures that students living in private accommodation remain connected to one another and to campus life. Through a combination of in-person and virtual engagement, Equité offers a range of opportunities to participate in community activities, mentorship, and events even when you are off campus.

We encourage you to make the most of every opportunity that comes your way. At Stellenbosch University, your academic programme is only one part of your developmental experience. Equité will help you become a well-rounded graduate, ready to thrive in an ever-changing world.

We look forward to welcoming you into the Equité community with open arms.

Warm regards,
Commuter Student Communities Unit

THE MEANING BEHIND THE LOGO

Wings

It is what defines our emblem and is our icon. Wings are the representation of "spreading your wings and fly." Equité provides opportunities to grow confidently and to help with the adjustment process onto campus lifestyle.

Protea

This flower is the national flower of South Africa. This is where our roots are specifically within the Western Cape. We are rooted in our nation and the outline of a protea encloses the top of our emblem.

Plants

They are the representation of growth. The plant within our emblem grows upward, to portray our passion as Equité, to help our members grow physically, mentally, and spiritually into the people that they want to become, and we do so by providing different opportunities

CLUSTER CLUSTER CLUSTER WHAT YOU NEED TO KNOW

A cluster is a group of residences and private student organisations (CSC's), who collectively form a broader community where students can interact and collaborate with one another.

Who are we?

amaMaties is made up of 5 residences; Erica, Serruria, Nemesia, Helderberg, and Huis Neethling, and 2 CSCs; Equité and Capri. We are one of the most active clusters on campus and enjoy hosting joint events and making use of our shared spaces.

amaMaties facilities

Tinie Louw: An open dining hall located just under the amaMaties Hub. You have the option to order meals and collect.

The Deli: Also, under the Hub and next to the Tinie Louw, you can grab some student friendly, cost-effective meals before you head up the steel stairs to the Hub.

LETTER FROM PRIMARIA

Hey TE's!

Congratulations on your acceptance into Stellenbosch University! You're in for a ride! My name is Natasha Freitas and I am your Primaria for 2026. Together with the beautiful ladies in the House Committee, I'm here to make sure Equité becomes a space where you feel supported, seen, and at home.

You might be feeling a mix of excitement and uncertainty, but you're stepping into a community grounded in our values: Respek, Ubuntu, Authenticity, Amandla, and Pride. Equité is a place to grow, to find your people, and building the next chapter of your life.

Please reach out if you need help with anything, from preparing for the move, finding accommodation, or just wanting to know more about Stellenbosch. We're here for you every step of the way.

I can't wait to meet you and welcome you into our Equité family!

With Love
Natasha

LETTER FROM VICE-PRIMARIA

Sanibonani, Hello, and Goeiedag Tès!

My name is Asande Khuzwayo, your Vice Primaria for this term – but please, feel free to call me “the girl who lives in a lab coat” (because as a BSc Molecular Biology and Biotechnology student, I practically do).

First things first: Welcome, and congratulations on becoming a Matie and an honorary Tè!

You've officially stepped into a chapter overflowing with discovery, growth, laughter, possible late-night study marathons, and friendships that will soon feel like home. Your journey here will be a beautiful mix of the exciting, the overwhelming, the confusing, the fun, and yes, even the “why did I choose this degree again?” moments (we've ALL had them). But through every high and low, you'll learn more about yourself than you ever imagined.

If there's one thing I want you to remember from day one, it's this:

You are not walking this journey alone.

Equitè is your community.

The Tès are your support system, your cheerleaders, and your soft-landing space.

When things get tough, we're here.

When things go well, we're here to celebrate even louder.

As you step into this new season, keep your heart open and your curiosity alive. Say yes to new experiences, show up for yourself, and allow yourself to grow into the incredible person you are becoming. And of course – HAVE FUN. Enjoy the chaos, the calm, the lessons, and the magic of it all.

I can't wait to see your faces, your energy, and your individuality shining through, Tès.

For now, I'm sending all my love ❤

Asande

A LETTER FROM YOUR HEAD MENTORS

HI TES!

SIMILARLY TO MY OWN MENTORS, I HOPE TO BUILD A TEAM THAT APPROACHES OUR PROSPECTIVE MENTEES WITH GENUINE CARE AND INTENTION. I WANT TO CULTIVATE A TEAM THAT STRIVES TO ENSURE INTERACTIONS ARE NEVER LACKLUSTER OR VOID OF CARE. BEING A MENTOR ISN'T JUST A TITLE OR LEADERSHIP POSITION — IT'S A COMMITMENT REFLECTED NOT ONLY IN OUR WORDS, BUT IN OUR ACTIONS.

TOGETHER, I HOPE WE CAN CONTINUE TO OFFER THE SAME ENCOURAGEMENT AND SUPPORT THAT EQUITE HAS ALWAYS EMBODIED. IF THAT IS SOMETHING YOU RESONATE WITH THEN I URGE YOU TO SHOW UP AND SHOW OUT THIS WELCOMING

CONNECT INFORMATION

LET'S GET JIGGY!

Informally known as "Vensters", Connect is the huge event that brings welcoming to close.

Each community brings their A-game through a script and the choreography of a dance in which you as our newcomers will learn throughout the course of welcoming! You will then take to the stage to mesmerise the judges with acting and dances to hopefully be crowned Connect winners.

Equite has had major success in Connect, often winning. No pressure though :). If nothing else, Connect is a time of creative self-expression and community building. It is often a pivotal point in welcoming and is geared to be a core memory!

Our 2026 Vensters partners are... Heemstede and Osler and together we make... **HEEMOSTÉ**
