WELCOME TO VENUSTIA

Venustia is one of the eleven Commuter Student Communities (CSC) at Stellenbosch University (SU), established in 2008. We are part of the Rubix Cluster.

A CSC is an organisational structure that supports students living in private accommodation while attending SU. As a CSC, we actively seek to assist newcomers in a smooth transition into the SU environment in a way that is fun and exciting. Our Community Motto, "Beauty Through Strength," is an indicator of what our core beliefs are, building strength in character.

We strive to create an environment for students to feel comfortable and safe enough to express themselves freely.

Venustia was founded on the values of respect, integrity, inclusivity, compassion, and equity. We aim to foster a space for each member to call their 'second home.' All members of Venustia take pride in being a 'Swan,' which is signified by the Crest of our House, which represents beauty and strength that shines from within.

VENUSTIA

BEAUTY THROUGH STRENGTH

MISSION AND VISION STATEMENT

Venustia's Welcoming Programme is rooted in the belief that belonging begins when people feel truly seen and heard, not as a performance, but as a sincere act of care. We want every student to arrive and know that they matter, that their voice carries weight, and that they have a place in our community just as they are. Guided by the values of friendliness, unity, respect, diversity, and integrity, we strive to create a space where connection is authentic and inclusion is lived, not simply spoken. Through meaningful interaction, mentorship, and shared experiences, we aim to support students as they find their footing, discover their strengths, and begin their journey with confidence and purpose.

At the heart of our programme is a deep commitment to compassion and human dignity. We believe that true community grows when people listen to understand, not to respond, when kindness is genuine, and when respect is reflected in our everyday actions. We celebrate individuality while building unity, embracing the richness that each person brings to the Venustia and Stellenbosch family. Here, every voice is valued, every story is honoured, and every student is encouraged to grow into their fullest, truest self, surrounded by care, belonging, and a shared sense of home.

VALUES

RESPECT: Venustia seeks to be an all inclusive space that assists students in becoming engaged citizens with inquiring minds. Venustia aims at creating and maintaining a platform where students can explore their identities and world views in a safe and encouraging space, while also breaking down any subconscious biases.

INCLUSIVITY: Acting in a way that shows acceptance of others' presence and well-being. This also includes taking into account the values, opinions, rights, and personal actions of fellow Swans.

INTEGRITY: Venustia believes that integrity means to actively incorporate and value the ideas, identities, and beliefs that every member has established for themselves. We seek to offer a platform that promotes equality and equity in a sustainable and fluid way.

COMPASSION: "Beauty Through Strength" means that in order for our community to feel strength in its unity, our members need to feel heard. Our value of compassion is actively trying to understand one another's pain and triumphs. Having compassion for one another is what allows us to embody our motto.

EQUITY: Recognising the areas in your sense of self and identity that need developing. This is accomplished by providing members with the platforms and equal opportunities they need to achieve their own definition of personal development and strength and character.

OUR IDENTITY

VENUSTIA

The name Venustia is derived from the Latin word *venus*, meaning “beauty” or “grace.” We at Venustia CSC bring this meaning to life through our motto: *Beauty Through Strength*. This powerful phrase captures the core of our identity , encouraging members to embrace both resilience and elegance in their personal growth and community interactions. The swan symbol, further reinforces these ideals as it embodies the graceful strength and poise that Venustia aims to nurture in all our members.

BEAUTY THROUGH STRENGTH

Venustia is proudly affiliated with the Rubix Cluster at Stellenbosch University. This cluster includes both CSCs and residences such as Heemstede, Metanoia, and Nerine, as well as Venustia’s sibling CSC, Pieke. The Rubix Cluster is known for fostering close-knit relationships and a strong sense of community, while also being one of the few clusters that does not include a male-only residence. As part of Rubix, Venustia collaborates across these groups to broaden horizons and build meaningful connections through shared events and initiatives.

LETTER FROM THE PRIMARIA

Helloooo future Swans!!

Welcome to Venustia, a community built on a simple but powerful belief; that beauty and strength are not opposites. They come from the same place, and that place is YOU!

I am Cristen Koegelenberg and this year I have the absolute privilege of serving as your Primaria. Before anything else, I want you to know that your presence already adds something to our community that didn't exist before.

"Beauty through strength" isn't just something we print on our merch or shout at events. It is something we live. It means that every person, with their own story, background, personality and goals brings a different kind of beauty. The kind that shows up in your resilience, your courage and the way that you move through the world. All of those forms of beauty together is where our strength as a community comes from.

The first day of university might feel a bit daunting at times, but strength doesn't mean having it all figured out. It means showing up, choosing growth and allowing yourself to be seen, supported and shaped by those around you. Venustia is a community held together by people. People who care deeply, who show up regardless and who make space. And you are now part of that story, adding your own colour to it.

This is a space where your individuality is not a barrier, but an offering. It makes Venustia richer, fuller and more alive and for that we cannot be more grateful!

Over the next year, you will learn a lot about yourself. You will meet people who challenge you, some who inspire you and others who will encourage you. It is in those moments that you will see that beauty comes from becoming stronger and strength comes from embracing your own beauty.

I am counting down the days until I get to meet you, learn from you and watch you become the heart of Venustia. With all my love,

Cristen Koegelenberg

LETTER FROM THE VICE- PRIMARIA

Hello gorgeous!

Welcome to Venustia, pronounced (Va-nuu-sti-ah)!

Venustia is a commuter student community that grows with you, celebrates you, and roots for you.

We can't wait to meet you and finally put faces to the names we've been so excited about. At the core of Venustia is love, growth, and genuine connection, and we hope you feel that from the moment you walk in.

It's completely normal to have many questions or feel that mix of excitement and nerves. Just know this: you're not doing any of it alone. Alongside Cristen our Prim, our incredible House Committee, the Mentors, and the Swan Committee, we're here to make sure your years in this university are unforgettable and that you are supported throughout it all.

Even though we don't share a physical residence, we're intentional about creating a "home away from home", a space where you can grow, belong, and build real connections.

As your Vice-Prim and Welcoming Leader, I can promise good memories, plenty of laughs, and a sisterhood that only gets stronger with time. Being a newcomer is the beginning of a beautiful journey, and we're honoured to be a part of it.

Here's to new friendships, fresh beginnings and so much Venustia Vibes!

With much love,
Agapé Ledimo

LETTER FROM THE HEAD MENTOR

HEY YA FUTURE SWANS!!

Firstly, I'd like to congratulate you on your acceptance to this fine institution and applaud you on all the hard work that led you to this moment.

I am Kgotatso Gaotingwe and I have been bestowed with the honour and pleasure to select and prepare some of your first friends on campus, the MENTORS!! Venustia mentors are prepped and equipped to show you the ropes of how things operate in Stellenbosch.

Stellenbosch is a culture-rich, expansive town with many features that easily set it apart from many others. While most values and traditions here are inter-linked, everyone needs a place they can call their home, a place that they resonate with more than others, with values that are more distinctive than the rest, that for us (me and you) is Venustia, a place where you will be respected, included, seen and cherished by your peers and those that come before and after you.

our arrival to this institution will begin with a warm welcoming from myself, the Venustia leadership team including your mentors and a smaller group of newcomers, such as yourself, that you will spend most of your orientation days with, which will be jam packed with socials, connection and joy.

Be prepared for a blast of a time. Get loads of rest, bring lots of water and come ready to mingle, because we're all waiting for you and cannot wait to meet you <3 !

Warmly
KG xx

HOUSE COMMITTEE

The house committee (HC) represents the entirety of Venustia. They must run for HC, and are then elected by the members of Venustia, during caucus/election week.

This committee is expected to uphold the House Values and the university and the Venustia rules and regulations. Every House Committee member, barring the Primaria and Vice-Primaria, will be assigned several specific portfolios which they are expected to work on to the best of their ability.

The HC are the people behind all the events that Venustia has, as they are there to plan and execute everything from welcoming to house dance.

MENTORS

Our Mentors are committed to assisting you in achieving your goals and guiding you through your initial year of university. Their primary objective is to facilitate a smooth transition for Newcomers into university life. Recognizing the potential stress associated with the early stages of university, the Mentors are available to offer advice, provide assistance, and simply lend a supportive ear. Newcomers will be introduced to their Mentors on the first day of the Welcoming event. Subsequently, the Mentors will establish a WhatsApp group to keep Newcomers informed with updates.

Throughout the Welcoming period, Mentors will lead sessions aimed at exploring wellness spheres and fostering individual growth. These sessions will also serve as a platform for Newcomers to acquaint themselves with each other and their Mentors. Venustia has carefully selected 16 Mentors for the year 2026, and they are eagerly looking forward to meeting you!

Studying at SU is both a great honour and an exciting opportunity. As you prepare to begin this new chapter, we wish you every success as you take the first steps in your university journey. Please note that your allocation to the Venustia community is conditional and subject to you receiving an academic offer and successfully registering at Stellenbosch University.

The Commuter Student Communities Unit at Stellenbosch University is responsible for managing the VenustiaCommunity, together with its House Committee and mentors. We form part of your support network and are here to assist with your academic and social integration at SU. Please feel free to reach out if you have any questions or need guidance along the way. Venustia is a values-driven community, and these values guide everything we do. Being part of Venustia will allow you to forge new paths, build meaningful relationships, and discover innovative ways to grow both personally and academically.

The Commuter Student Communities (CSCs) model ensures that students living in private accommodation remain connected to one another and to campus life. Through a combination of in-person and virtual engagement, Venustiaoffers a range of opportunities to participate in community activities, mentorship, and events even when you are off campus.

We encourage you to make the most of every opportunity that comes your way. At Stellenbosch University, your academic programme is only one part of your developmental experience. WORD FROM THE CLUSTER CONVENOR

Dear Newcomer,

Congratulations on your acceptance into Stellenbosch University, and welcome to RUBIX — a cluster known for its warmth, unity, and unmistakable sense of community.

Rubix brings together five diverse student communities — Heemstede, Metanoia, Nerina, Pieke, and Venustia — creating a space where you can feel supported from day one. Here, you'll find people who encourage you, challenge you, and walk with you as you find your place at Stellenbosch. It's a community where you can show up as yourself, grow confidently, and build connections that truly matter.

What makes Rubix special is the energy our students bring into every space — the willingness to show up, support one another, and create experiences that make this cluster feel like a second home. You'll quickly realise that Rubix is more than just a name; it's a feeling, a community, and a collective spirit you'll become part of.

As your Cluster Convenor, I'll be working alongside a dedicated and passionate team of student leaders who are just as excited as I am to welcome you into this community. Together, we're committed to creating spaces where you feel included, supported, and inspired throughout your journey at Stellenbosch.

WORD FROM THE PRIM COMMITTEE

Welcome Home, Swans!

To the exceptional individuals we proudly call Swans, it is with immense excitement and heartfelt pride that I extend the warmest possible welcome as you officially join the Stellenbosch University (SU) family! Your journey to this moment is a testament to your hard work and brilliance, and we are absolutely delighted to have you.

As you stand on the threshold of this incredible new phase, you might be thinking about the degrees, the grades, and the accolades that lie ahead. These are important, yes, but I encourage you to set your sights higher. True fulfilment isn't found just in certificates hanging on a wall, but in the profound personal growth and self-discovery this unique environment offers. Initially, stepping onto the Stellenbosch campus was a daunting experience, filled with mixed emotions. By committing to pushing past my comfort zone, however, I soon uncovered the rich tapestry of opportunities Stellenbosch provides. This deliberate embrace of the unfamiliar fundamentally broadened my outlook and accelerated my growth. I genuinely hope you will all take that same courageous step outside your established boundaries and gain the rewards that follow.

Your university career is a holistic adventure, extending far past the limits of any lecture hall. Stellenbosch is a unique platform for deep growth (academically, socially, and personally). To make the most of this opportunity, embrace these core principles:

- Be Brave and Vulnerable, recognizing that true courage lies in seeking help and asking questions.
- Be Curious and Open, fully engaging with the world-class education and diverse community around you.
- Be Authentic, claiming this time to define your own powerful narrative without letting others' expectations dictate who you become.

Remember, the ultimate achievement of your time here is not just a degree, but a character forged in confidence and purpose.

You are now an essential part of the SWAN community and the Maties legacy. This collective thrives on mutual support and shared aspirations. We are your dedicated village, committed to cheering your triumphs and helping you through challenges, and we ask that you contribute as an active, compassionate, and engaged member. Let our core values of excellence, compassion, accountability, respect and equity guide every choice you make. We are eager to see the brilliance and impact you will bring. Dive in, seize every opportunity, and truly enjoy the process of becoming.

Welcome home, Swans! The best is truly ahead.

WELCOMING

The purpose of the welcoming programme in Venustia is to ensure that we are the helping hand when it comes to the newcomers' transition into Stellenbosch University and its campus culture.

Venustia leadership will facilitate offerings that will allow for the newcomers to be their authentic selves whilst networking with people from different backgrounds and beliefs.

Furthermore, the purpose of the welcoming programme is to facilitate offerings that will ensure that people respect one another and their different backgrounds.

It is also the time and place where newcomers will make their first friends at SU, with these friendships often being the strongest ones they form, and where they will create memories that they will cherish and remember for the rest of their lives.

Dear Prospective

Student CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS 2026

Welcome to your Commuter Student community at Stellenbosch University! You have been assigned to Venustia CSC (Commuter student Community) as you have not chosen to stay in an SU residence in 2026.

During the annual welcoming period in the beginning of the year, communities take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because CSCs do not have a dining hall (although some CSCs will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, CSC first years are provided with "welcoming packages". These packages usually consist of several meals, clothing, and other items unique to each community. During CSC registration on the first day of Welcoming (Monday 26th January 2026), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from community to community). Each CSC will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.

Acquiring the "welcoming packages" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact us at cscu@sun.ac.za

Beste Voornemende Matie Student,

HEFFING VAN VERWELKOMINGSPAKKIE-KOSTES OP STUDENTEREKENING 2026

Welkom by jou Pendel Student Gemeenskap by Stellenbosch Universiteit! Aangesien jy nie in 'n US koshuis woonagtig is nie, is jy del van Venustia PSG (Pendel Studente Gemeenskap). Tydens die jaarlikse Verwelkomingsperiode neem gemeenskappe verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSG's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSG's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingspakkies" saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie en soortgelyke items wat eie is aan die betrokke PSG. Tydens registrasie by die PSG op die eerste dag van Verwelkoming (Maandag 26ste Januarie 2026) het u die opsie om hierdie verwelkomingspakkies aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSG tot PSG). Elke PSG bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u

beskikbaar gestel kan word. Na registrasie sal die koste dan teen betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes.

Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.

Die verkryging van die "verwelkomingspakkies" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.
