

Doctoral Scholarships in Economic and Management Sciences

Stellenbosch University's Graduate School of Economic and Management Sciences (GEM) is recruiting for the 2027 intake of **GEM Elite Doctoral Scholarships**. The prestigious full-time doctoral scholarships are valued at R200 000 per year for three years.

Eligible candidates are invited to apply in one of our advertised research programmes, to commence studies in January 2027:

Doctoral research themes from the following environments are advertised:

- Department of Industrial Psychology
- Department of Economics
- Department of Logistics
- School of Public Leadership
- School of Accountancy
- Department of Business Management
- Africa Centre for Inclusive Health Management
- Stellenbosch Business School

The research themes and application details are provided on [our website](#).
