

Teacher's Enrichment Programme

Background & Timeline

The annual Teacher Enrichment Program (TEP) is a collaboration between the School of Accountancy at Stellenbosch University and the Western Cape Department of Education (WCED). It is focused, Online training for economic and management sciences teachers across the Western Cape. The School of Accountancy presented a series of online upskilling training workshops. The purpose of the workshops is to strengthen teaching capabilities by providing knowledge and skills for teachers who are currently teaching these subjects and to assist them to explain these concepts to learners. It was conducted once a week, for 4 weeks, starting on the 26th July 2021, with another programme running in 2022
