

# When should I apply to the Research Ethics Committee: Social Behavioural and Education Research (REC: SBE)?

- Before submitting an ethics application to the REC: SBE, please first confirm that ethics clearance from the [Health Research Ethics Committee \(HREC\)](#) is not required for your project..
- Once you have confirmed that HREC approval is not required, you may proceed with submitting your application to the [Research Ethics Committee: Social, Behavioural and Education Research \(REC: SBE\)](#).
- After reviewing the [Application Guide](#), you can access the [Application Form](#).
- Under the “Create Project” section, please select “REC: Social, Behavioural, and Education (SBER) - Initial Application Form”
