

How do I update my personal details displayed under Question 3.4 of the application form?

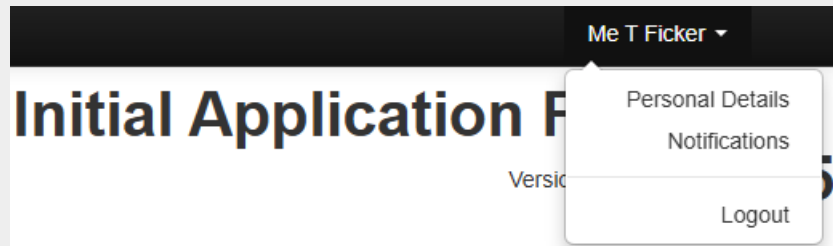

If you'd like to update your email preferences, please try **both** of these two methods (scroll down to the next page to view the second method). As per university policy, all communication related to ethics applications must be conducted using your official SU email address. Personal email accounts such as Gmail, Hotmail, etc, may not be used for this purpose.

1) Visit the [My.Sun](https://my.sun.ac.za) webpage. From there, select the “Postgraduate” tab (sidebar on the left), select the “Admin & Support” tab (in light green below), and then click on the “Personal Information” tab (see below) to update your details.

How do I update my personal details displayed under Question 3.4 of the application form?

2) You can update your personal details in [Infonetica](#) (where you complete your online ethics application form) via the Personal Details tab. To access this, click on your name in the top-right corner of [Infonetica](#) and select 'Personal Details'. Enter Stellenbosch University as the organisation, your SU student number as the campus, your SU email address as the qualification, and a dummy value in the fax field. Click 'Change Details' to save your updates, then return to your application form and re-add your name in the Principal Investigator (PI) section. Your updated details will populate automatically. Save the application form to retain these changes.
