

## Faculty of Law

### Language Implementation Plan 2026<sup>1 2</sup>

The Language Implementation Plan of the Faculty aims to give effect to section 29(2) of the Constitution in relation to language usage in its academic, administrative, professional and social contexts. The Plan also aims to increase equitable access to the Faculty for all students and staff and to facilitate pedagogically sound teaching and learning.

The Language Implementation Plan of the Faculty is aligned with the Language Policy of the University and is drafted in terms of Paragraph 7.4.2 of said Language Policy.

1. In general, both Afrikaans and English are used in the same class group in undergraduate modules.<sup>3</sup> The combination of facilitated learning opportunities is as follows:

- 1.1 Where a module is designated as “both English and Afrikaans”; i.e. Dual Medium, all information during a lecture is conveyed at least in English and summaries, or emphasis on content, are also given in Afrikaans. Questions in Afrikaans and English are, where reasonably practicable, answered in the language of the question.
- 1.2 Students are supported in Afrikaans and English during a combination of appropriate, facilitated learning opportunities (e.g. consultations during office hours or scheduled tutorials).
- 1.3 For first-year modules (Foundations of Law 178, Introduction to Constitutional Law and Interpretation of Statutes 178, Law of Persons 144, and Legal Skills 114), SU makes simultaneous interpreting available on-site or online during each lecture. If two weeks have passed with no students making use of the interpreting service, it may be discontinued.

For second-year and subsequent year modules, SU makes available on-site or online simultaneous interpreting available if the needs of the students warrant such service and SU has the resources to provide it.

---

<sup>1</sup> This Plan replaces all earlier versions and is effective for the 2026 academic year only.

<sup>2</sup> Should there be any conflict between the English version of this Language Implementation Plan and the Afrikaans version, the English version shall prevail where the conflict cannot be reconciled.

<sup>3</sup> The Faculty of Law does not have the capacity to present its undergraduate modules separately in English and Afrikaans; i.e. in parallel medium, in a pedagogically sound manner.

2. In the following instances, undergraduate lectures will be offered in one language only:
  - 2.1 Where the assigned lecturer is proficient to teach only in Afrikaans or English. For these modules additional support is provided:
    - a) In addition to lectures and where reasonably practicable, there are appropriate, facilitated learning opportunities (e.g. consultations during office hours) in Afrikaans and English subject to the provisions of clause 7 below.
  - 2.2 Where all the students in the class group have been invited to vote by means of a secret ballot (upon the request of either the students, their class representative, the Juridiese Vereniging/Juridical Society (JV/S) or the lecturer of the module) and those students who have voted, agree unanimously to it, the module will be presented in Afrikaans only or English only, provided that the relevant lecturers and teaching assistants have the necessary language proficiency and agree to do so.
3. For undergraduate service course modules presented by this Faculty in the Faculty of Economic and Management Sciences, or in another faculty, where it is reasonably practicable and pedagogically sound to have more than one class group:
  - 3.1 There are separate lectures in Afrikaans and English.
  - 3.2 Students are supported in Afrikaans and English during a combination of appropriate, facilitated learning opportunities (e.g. consultations during office hours or scheduled tutorials).
  - 3.3 Notwithstanding the provisions of paragraphs 3.1 and 3.2 above, for Introduction to Intellectual Property Law 314 and 344 and Legal Aspects: International Business Transactions 314 the language of instruction shall be English only and the assessments have to be completed in English only.
4. The learning materials for undergraduate modules are made available as follows:
  - 4.1 All compulsory reading material is provided in English.
  - 4.2 Compulsory reading material (excluding published material) is also provided in Afrikaans unless it is not reasonably practicable to do so. Unless otherwise indicated by the relevant lecturer of a module, additional material like PowerPoint slides does not constitute compulsory reading material.
  - 4.3 SU module frameworks and study guides are available in Afrikaans and English.
5. Question papers for tests, examinations and other summative assessments in undergraduate modules at NQF level 7 or below are available in Afrikaans and English. Students may answer all assessments and submit all written work in Afrikaans or English or, by prior arrangement and if the lecturer (and the external moderator, where applicable) is proficient to grade and/or moderate the assessment in isiXhosa, in isiXhosa. In respect of Public International Law 314, Law of Evidence 344, Introduction to Intellectual Property Law 314 and 344 and Legal Aspects: International Business Transactions 314 all assessments are available in English only. Students must answer all assessments and submit all written work in English only.

6. In postgraduate learning and teaching, including final year modules at NQF level 8, any language may be used provided all the relevant students are sufficiently proficient in that language.
7. Notwithstanding the provisions of clause 4.3 above, the implications of the designation of a final year module at NQF level 8 as offered in one language only are that all module frameworks and tutorials shall be in the designated language only. Question papers for tests, examinations and other summative assessments in undergraduate modules at NQF level 8 are available in Afrikaans and English. Students may answer all assessments and submit all written work in Afrikaans or English or, by prior arrangement and if the lecturer (and the external moderator, where applicable) is proficient to grade and/or moderate the assessment in isiXhosa, in isiXhosa.
8. Notwithstanding the provisions of clause 7 above, in respect of Company Law 478, Advanced Corporate Law 441, Law of Income Tax 414, Law of Selected Taxes 441, Environmental Law 451, Accounting for Law Students 441, Public Procurement Law 451, International Human Rights Law 414, Constitutional Law 451, The Law and Technology 414, Advanced Law and Technology 441, Integrated Legal Studies 444 and Administrative Law 414, all assessments are available in English only. Students must answer all assessments and submit all written work in English only. The underlying reason for the specification that the assessments in these modules are in English only and that all assessments for these modules must be answered and all written work have to be submitted in English only is that the Faculty believes that there has to be constructive alignment between the language of learning and teaching and the language of assessment in light of assessment being an integral part of the learning of students.
9. The following measure is taken for persons with special learning needs/disabilities:
  - 9.1 Where students or staff need alternative texts such as Braille or enlarged texts as a means to communicate and understand information and these are not available, the relevant member of staff should liaise with SU's Braille Office to arrange the timeous availability of the alternative texts.
  - 9.2 This provision is subject to SU's Policy regarding Students with Special Learning Needs/Disabilities.
  - 9.3 As South African Sign Language is the primary language of some deaf people, a Sign Language interpreter and/or real-time captioning is available during lectures, tutorials and principal SU public events, where it is required and it is reasonably practicable to do so.
10. Changes to the language arrangements in a Faculty's Language Implementation Plan that fall outside the regular review process, but are necessitated by, for example, a specific student group's preferred language of tuition, pedagogical considerations or the unavailability of a lecturer with the necessary language proficiency, can be made by the relevant departmental chairperson and dean after consultation with the faculty's academic affairs student committee. These changes are reported at the

following faculty board and Senate meetings. The students of the specific modules are informed of the changes and the reasons for these changes as soon as practically possible.

11. Students who feel negatively affected by the implementation of the Language Policy through the Faculty Language Implementation Plan must adhere to the following procedure:

- 11.1 The complaint must in the first instance be lodged with the relevant staff member. Should the aggrieved student not be satisfied, they must approach the relevant departmental head, and, thereafter, should the student still not be satisfied, they must approach the Vice-dean: Learning and Teaching.
- 11.2 If the complaints are not satisfactorily resolved at faculty level and the complaints are related to academic contexts, students can refer the complaints to the Academic Planning Committee (APC), via the Student Academic Affairs Council, and if not resolved at the APC, the APC refers the matter to the Senate, with a recommendation.

12. Language implementation in administration and management

- 12.1 Communication will, in general, occur in both Afrikaans and English in a manner that promotes understanding and inclusivity for all involved.
- 12.2 The language of written communication in the Faculty and meetings depends on the language needs of the readers or participants (staff, students and other involved parties), with the proviso that nobody will be excluded through the language of communication.
- 12.3 Interpretation will not be available during Faculty meetings and the chairperson of a meeting must ensure that inclusivity is promoted. Where necessary, the chairperson should provide a brief summary of the communication in the other formal language of communication.

## **Fakulteit Regsgeleerdheid**

### **Taalimplementeringsplan 2026<sup>4 5</sup>**

Dit is die oogmerk van die Fakulteit om ingevolge die Taalimplementeringsplan uitvoering te gee aan artikel 29(2) van die Grondwet wat betref taalgebruik in sy akademiese, administratiewe, professionele en sosiale kontekste. Die plan beoog voorts om billike toegang tot die Fakulteit vir alle studente en personeellede te verhoog, en om pedagogies verantwoordbare onderrig en leer te fasiliteer.

Die Taalimplementeringsplan van die Fakulteit is belyn met die Taalbeleid van die Universiteit en is ooreenkomstig met paragraaf 7.4.2 van die genoemde Taalbeleid opgestel.

1. Oor die algemeen word sowel Afrikaans as Engels in dieselfde klasgroep vir voorgraadse modules gebruik.<sup>6</sup> Die kombinasie van gefasiliteerde leergeleenthede is soos volg:
  - 1.1 Waar 'n module as beide Engels en Afrikaans aangedui word; dit wil sê as dubbelmedium, word alle inligting gedurende elke lesing in ten minste Engels oorgedra, en word opsommings of beklemtoning van inhoud ook in Afrikaans voorsien. Vrae in Afrikaans en Engels word, waar dit redelikerwys doenlik is, in die taal van die vraag beantwoord.
  - 1.2 Studente word in Afrikaans en Engels ondersteun gedurende 'n kombinasie van toepaslike, gefasiliteerde leergeleenthede (byvoorbeeld konsultasies in kantoortyd of geskeduleerde tutoriale).
  - 1.3 Vir eerstejaarmodules (Grondslae van die Reg 178, Inleiding tot Staatsreg en Uitleg van Wetstekste 178, Personereg 144 en Regsvaardighede 114) stel die US gedurende elke lesing intydse of aanlyn tolking beskikbaar. Indien twee weke verloop sonder dat enige studente van die tolkdien gebruik

<sup>4</sup> Hierdie plan vervang alle vorige weergawes en geld alleenlik vir die 2026 akademiese jaar.

<sup>5</sup> Indien daar enige konflik tussen die Engelse weergawe van hierdie Taalimplementeringsplan en die Afrikaanse weergawe is, sal die Engelse weergawe geld in soverre die konflik onversoenbaar is.

<sup>6</sup> Die Fakulteit Regsgeleerdheid beskik nie oor die vermoë om sy voorgraadse modules op 'n pedagogies verantwoordbare manier afsonderlik in Engels en Afrikaans; dit wil sê in parallelmedium, aan te bied nie.

maak, kan dit gestaak word.

Vir tweedejaar- en daaropvolgende jare modules, stel die US intydse of aanlyn tolking beskikbaar indien die behoeftes van studente sodanige diens regverdig en die US oor die hulpbronne beskik om die diens te verskaf.

2. In die volgende gevalle sal voorgraadse lesings in slegs een taal aangebied word:
  - 2.1 Waar die toegewese dosent in slegs Afrikaanse of slegs Engelse onderrig vaardig is. Vir hierdie modules word bykomende steun voorsien:
    - (a) Benewens lesings, waar dit redelikerwys uitvoerbaar is, is daar toepaslike, gefasiliteerde leergeleenthede (byvoorbeeld konsultasies in kantoortyd) in Afrikaans en Engels onderworpe aan klousule 7 onder.
  - 2.2 Waar alle studente in die klasgroep genooi is om deur middel van 'n geheime stembrief te stem (op versoek van of die studente, of die klasvertegenwoordiger, of die Juridiese Vereniging/Juridical Society (JV/S) of die dosent van die module) en daardie studente wat stem, eenparig daartoe toestem, sal die module in slegs Afrikaans of slegs Engels aangebied word, mits die betrokke dosente en onderrigassistenten die nodige taalvaardigheid het en instem om dit te doen.
3. Vir voorgraadse dienskursusmodules wat hierdie Fakulteit in die Fakulteit Ekonomiese en Bestuurswetenskappe, of in 'n ander fakulteit, aanbied waar dit redelikerwys uitvoerbaar en pedagogies verantwoordbaar is om meer as een klasgroep te hê, geld die volgende:
  - 3.1 Daar is aparte lesings in Afrikaans en Engels.
  - 3.2 Studente word in Afrikaans en Engels ondersteun gedurende 'n kombinasie van toepaslike, gefasiliteerde leergeleenthede (byvoorbeeld konsultasies in kantoortyd of geskeduleerde tutoriale).
  - 3.3 Desnieteenstaande die bepalings van paragrawe 3.1 en 3.2 bo, word Inleiding tot Intellektuele Goederereg 314 en 341, asook Regsaspekte: Internasionale Besigheidstransaksies 314 slegs in Engels aangebied en alle assesserings moet in Engels afgelê word.
4. Die leermateriaal vir voorgraadse modules word soos volg beskikbaar gestel:
  - 4.1 Alle verpligte leesstof word in Engels voorsien.
  - 4.2 Verpligte leesstof (buiten gepubliseerde materiaal) word ook in Afrikaans

voorsien, tensy dit nie redelikerwys uitvoerbaar is nie. Tensy deur die betrokke dosent van die module anders aangedui, is addisionele leesstof soos byvoorbeeld PowerPoint skyfies nie verpligte leesstof nie.

- 4.3 Die US se moduleraamwerke en -studiegids is in Afrikaans en Engels beskikbaar.
5. Vraestelle vir toetse, eksamens en ander summatiewe assesserings in voorgraadse modules op NKR-vlak 7 is in Afrikaans en Engels beskikbaar. Studente mag alle assesserings beantwoord en alle geskrewe werk indien in Afrikaans of Engels of, indien daar vooraf die nodige reëlins getref is en die dosent (en die eksterne moderator waar van toepassing) beskik oor die nodige taalvaardigheid om assesserings in isiXhosa te merk en/of te modereer, isiXhosa. Wat Inleiding tot Intellektuele Goederereg 314 en 344, asook Regsaspekte: Internasionale Besigheidstransaksies 314, Bewysreg 344, Volkereg 314 aanbetref, sal alle assesserings slegs in Engels beskikbaar wees en studente moet alle assesserings en geskrewe opdragte slegs in Engels beantwoord.
6. In nagraadse leer en onderrig, wat finalejaarmodules op NKR-vlak 8 insluit, kan enige taal gebruik word, met dien verstande dat al die betrokke studente vaardig genoeg in daardie taal is.
7. Nieteenstaande die bepalings van klousule 4.3 hierbo, die implikasies van die aanwysing van 'n finalejaarmodule op NKR-vlak 8 wat slegs in een taal aangebied word, is dat alle moduleraamwerke en tutoriale slegs in die aangewese taal sal wees. Vraestelle vir toetse, eksamens en ander summatiewe assesserings in voorgraadse modules op NKR-vlak 8 is in Afrikaans en Engels beskikbaar. Studente mag alle assesserings beantwoord en alle geskrewe werk indien in Afrikaans of Engels of, indien daar vooraf die nodige reëlins getref is en die dosent (en die eksterne moderator waar van toepassing) beskik oor die nodige taalvaardigheid om assesserings in isiXhosa te merk en/of te gradeer, isiXhosa.
8. Nieteenstaande die bepalings van klousule 7 hierbo, ten opsigte van Maatskappyereg 478, Gevorderde Korporatiewe Reg 441, Inkomstebelastingreg 414, Reg insake Geselekteerde Belasting 441, Omgewingsreg 451, Rekeningkunde vir Regstudente 441, Staatsverkrygingsreg 451, Internasionale Menseregte-reg 414, Staatsreg 451, Die Reg en Tegnologie 414, Gevorderde Reg en Tegnologie 441, Geïntegreerde Regstudie 444 en Administratiefreg 414, sal alle assesserings slegs in Engels beskikbaar wees. Studente moet alle assesserings beantwoord en alle geskrewe werk in slegs Engels

indien. Die onderliggende rede vir die spesifikasie dat assesserings in hierdie modules slegs in Engels sal wees en dat alle assesserings en alle geskrewe werk in slegs Engels beantwoord en ingedien moet word, is dat die Fakulteit glo dat daar konstruktiewe belyning tussen die leer en onderrigtaal en die assesseringstaal moet wees aangesien assessering 'n integrale deel van die leerproses van studente is.

9. Die volgende maatreël word getref vir persone met spesiale leerbehoefte/gestremdhede:

9.1 Waar studente of personeellede alternatiewe tekste soos Braille- of vergrote tekste nodig het as 'n manier om te kommunikeer en om inligting te verstaan, en sodanige tekste is nie beskikbaar nie, behoort die betrokke personeellid met die Braille-kantoor van die US te skakel om die tydig beskikbaarstelling van die alternatiewe tekste te reël.

9.2 Hierdie bepaling is onderworpe aan die US se Beleid oor Studente met Spesiale Leerbehoefte/Gestremdhede.

9.3 Aangesien Suid-Afrikaanse Gebaretaal die hoofkommunikasiemiddel vir sommige dowe mense is, is 'n gebaretaaltolk en/of intydse voorsiening van onderskrifte gedurende lesings, tutoriale en die vernaamste openbare US-geleenthede beskikbaar, waar dit vereis word en redelikerwys uitvoerbaar is.

10. Veranderinge aan die taalreëlings in die Fakulteit se Taalimplementeringsplan wat buite die gereelde hersieningsproses val, maar noodsaak word deur, byvoorbeeld, 'n spesifieke studentegroep se voorkeuronderrigtaal, pedagogiese oorwegings of die onbeskikbaarheid van 'n dosent met die nodige taalvaardigheid, kan aangebring word deur die betrokke departementshoof en dekaan, ná oorlegpleging met die fakulteit se akademiese belange studentekomitee. Hierdie veranderinge word by die volgende fakulteitsraad- en Senaatsvergaderings voorgelê. Die studente in die spesifieke modules word so gou prakties moontlik van die veranderinge en die redes daarvoor ingelig.

11. Studente wat voel hulle word negatief geraak deur die implementering van die Taalbeleid deur die Fakulteit se Taalimplementeringsplan moet die volgende prosedures te volg:

11.1 Die klagte moet eerstens by die betrokke personeellid aanhangig gemaak word. Indien die gegriefde student nie tevrede is nie, moet daardie student die betrokke departementshoof nader, en indien die student daarna steeds

nie tevrede is nie, moet daardie student die Vise-dekaan: Leer en Onderrig.

- 11.2 Indien klagtes nie bevredigend op fakulteitsvlak opgelos word nie en met akademiese kontekste verband hou, kan studente die klagtes via die Studente Akademiese Belangeraad na die Akademiese Beplanningskomitee (ABK) verwys, en indien die ABK dit nie kan oplos nie, verwys die ABK die aangeleentheid na die Senaat, met 'n aanbeveling.

12. Taalimplementering in administrasie en bestuur:

- 12.1 Kommunikasie sal oor die algemeen in sowel Afrikaans as Engels geskied op 'n manier wat begrip en inklusiwiteit vir alle betrokke partye sal verhoog.
- 12.2 Die taal van skriftelike kommunikasie in die Fakulteit en vergaderings hang af van die taalbehoefte van die lesers of deelnemers (personeellede, studente en ander belanghebbendes), met dien verstande dat niemand deur die kommunikasietaal uitgesluit word nie.
- 12.3 Tolking sal nie tydens fakulteitsvergaderings beskikbaar wees nie en die voorsitter van 'n vergadering moet verseker dat inklusiwiteit bevorder word. Waar nodig, moet die voorsitter 'n kort opsomming gee van die kommunikasie in die ander formele kommunikasietaal.
