Dear colleagues // Beste kollegas

The European Partnership for Personalised Medicine, EP PerMed (supported by the European Union under Horizon Europe, Grant Agreement N° 101137129), is a platform for joint programming of national and European regional research and innovation supporting activities putting into action “The Strategic Research & Innovation Agenda (SRIA) for Personalised Medicine (2023)”, SRIA for PM (2023), through dedicated research, development and innovation funding.

The EP PerMed funding organisations listed below have agreed to launch the joint transnational call 2026 (JTC2026) “Personalised Medicine for CARdiovascular, MEtabolic, and kidNey diseases” (acronym: CARMEN2026), co-funded by the European Union, to fund multinational, innovative research projects in personalised medicine (PM), which should bring together academic, clinical/public health and private research teams, thus enhancing the competitiveness in Europe and beyond in this field. The JTC2026 will be conducted simultaneously by the participating funding organisations in their respective region/country and coordinated centrally by the Joint Call Secretariat (JCS), hosted by the French National Research Agency, (ANR), FRANCE.
