

**FMHS RESEARCH COMMITTEE**

**APPLICATION FOR EARLY-CAREER RESEARCH FUNDING FOR 2026**

**Purpose**

The purpose of these awards is to provide seed funding for early-career researchers to support them to embark on a research project that would lead to the production of research outputs that would enable them to apply for national and international grants.

**Eligibility**

- South Africans and foreign nationals are eligible to apply - only one application per applicant
- Applicants must be staff (full time, part-time or jointly appointed) at the FMHS, Stellenbosch University
- Applicants must have obtained a PhD degree within the last 5 years, or a medical specialist qualification, e.g. MMed or CMSA, within the last 10 years, or be a clinician registered for a PhD
- Applicants that hold MRC Career Development or NRF Black Academics Advancement awards are eligible to apply
- Professors, Associate professors, Postdoctoral fellows and students (with the exception of clinician PhD candidates) are not eligible to apply
- Previously successful applicants are not eligible to apply again towards this fund

**Award and conditions**

Ten to twelve Early-career Research Funding awards, up to **R 80,000** each, will be made available for a period of 1 year, depending on well-motivated budget requirements. Funding can be utilised towards the following:

- Research materials and consumables
- Minor research equipment
- Specialised research services
- Student bursaries (not towards applicant)
- Research assistance (not towards applicant)
- Lecturer replacement (if approved by divisional or departmental head)

Conference costs and publication fees are not allowed due to the availability alternative funding sources for these items.

Proof of ethics approval for the proposed project must be provided by **31 July** of the funding year and a report of project outcomes and outputs should be submitted within 12 months of receiving an Early-career Research Funding award.

Applicants will be expected to apply for at least one appropriate national or international grant funding award, for which they are eligible, during the year of the award.

**Application**

An application consists of the completed and approved form and the following supporting attachment(s):

Appendix	Description	Attached	Comments (optional)
A	<b>Ethics approval(s), if required</b> (most recent ethics approval or renewal letters)		
B	<b>Approval letter from Head of Division or Department</b> (only required if Lecturer replacement is budgeted for)		

**Submission**

A completed application form must be electronically approved by the Divisional or Departmental Head and submitted with the **attachment(s)** as **one PDF document** to **Mr Tashwell de Wet** ([tashwell@sun.ac.za](mailto:tashwell@sun.ac.za)) via e-mail, by **24 February 2026**. Please note that incomplete or late applications will not be accepted. No hard copies are required.

*Outcomes of the applications will be made known during the Second half of April 2026 and funding will be available shortly after that, provided ethics approval is current.*
