Key takeaway:

“

I now see teaching as a vehicle for **societal transformation**, and I am more intentional in creating inclusive, responsive, and humanised learning environments.

”

Dr Shantal Windvogel  
FMHS

# TAU Fellows (2024-2025)

Prof Elize Archer  
FMHS

*A highlight:*

“

The interaction with the other TAU fellows and seeing how they understood and practiced TLA in their own contexts... our group became a place of **'feeling safe and feeling brave'**, where we learned together about various TLA issues.
