

M.Phil (Cardiology) bursary

The Division of Cardiology and SUNHEART will offer a three (3) year bursary for qualified Physicians to train as a Cardiologist at the Division of Cardiology, Department of Medicine, Stellenbosch University and Tygerberg Hospital. The bursaries will be available from 1 August 2026.

Requirements:

1. Qualification as a Specialist Physician* obtained in a recognised training institution – FCP (SA) or equivalent;
2. Registration with the HPCSA as a Specialist Physician (candidates in the process of registration will also be considered)

*Candidates who are currently sitting for their examinations are encouraged to apply as they may be awarded this bursary on condition that they obtain the relevant qualifications.

Recommendations:

1. Experience in cardiology or cardiac imaging
2. Previous research experience
3. Cardiology specific accredited courses attended

Duties:

1. Successful completion of the M.Phil (Cardio) - please see yearbook for requirements
2. Successful completion of the Cert Cardio Phys (SA) which include all the logbook requirements of the College of Medicine
3. Participating fully in all activities of the division
4. Conducting research into cardiac disease prevalent in South Africa

Please send a bursary application form and CV with a motivation letter to:

Prof AJK Pecoraro
