

# Unit for Experiential Learning

## Attribution and licensing statement

Visual materials on this website include licensed photography, video, stock media and AI-assisted visual content. Photography and video materials are credited to **Henk Oets, Stefan Els**, and the **Unit for Experiential Learning stock photo and video library**. AI-assisted images and design elements were created or adapted using licensed tools, including **Adobe Firefly, Adobe Creative Cloud, ChatGPT**, and **Google Gemini / Google LM tools**, and were reviewed by the Unit for Experiential Learning, Stellenbosch University, for accuracy, institutional relevance, brand alignment and appropriate use before publication.

Where AI-assisted visuals are used, they have been reviewed to reduce the risk of inaccurate, stereotypical or misleading representation. The inclusion of AI-assisted visual content is intended to support communication and learning, and does not replace human review, editorial judgement or institutional accountability.
